EPSB Building

\$3,400,000

The Education Professional Standards Board (EPSB) has been housed in three locations in the past nine years. The agency will be able to serve its client more effectively and efficiently if it can be housed in its own permanent location. A space of approximately 20,000 square feet will be needed. Parking spaces for approximately 125 (including handicapped and visitors) will also be required.

***Notes**

- Unless otherwise indicated, the total budget would be financed from the state General Fund (cash or bonds).
- Priority rankings were required to be assigned only to those projects proposed for 2006-08; projects for 2008-10 and 2010-12 are listed in alphabetical order.
- Descriptions are as provided in the "Brief Description and Justification" field of the agency's capital plan submission
